**Important Notice Regarding New Provider Portal: Postponed to October 23, 2023**

Physicians Health Plan (PHP) previously announced the launch of our new provider portal coming on Oct. 9, 2023. **The launch of the new provider portal has been postponed to Oct. 23, 2023.** The current provider portal will continue to be accessible through Oct. 31, 2023.

You can find the new portal by visiting [PHPMichigan.com/MyPHP](https://phpmichigan.com/MyPHP) and selecting MyPHP Provider Portal on or after Oct. 23, 2023.

**You will need to register for a new account after the launch on Oct. 23, 2023**, even if you previously had a MyPHP portal account. Your current login credentials will not work for the new portal.

The PHP Medicare portal will be accessed through a link inside the new portal. A one-time validation will be required.

Thank you for participating with PHP. If you have any questions, please contact PHP Provider Relations by emailing [PHPProviderRelations@phpmm.org](mailto:PHPProviderRelations@phpmm.org).
